

## Junior Board Information

Smile-A-Mile's (SAM) mission is to provide hope, healing of the spirit and love for the whole family during the childhood cancer journey. Through year-round meaningful and educational programming, Smile-A-Mile helps those in Alabama who are affected by childhood cancer thrive during treatment and the years beyond.

All programming is provided at no cost to our families; therefore, our funding comes from annual fundraisers, corporate giving, individual giving and foundations/grants. The SAM Junior Board of Directors plays a significant role in our annual fundraising efforts through corporate sponsorships and fundraisers.

The Junior Board of Directors consists of up to 35 members who are young professionals in the Birmingham area. Members host several annual fundraisers and serve as ambassadors for Smile-A-Mile within the community.
